bedroom/second living space, or kids activity room and there is also a separate study or sewing room.

There is lovely rural views from all the windows and the home has a great aspect, being south from the front and north from the rear, allowing abundant light and beautiful breezes.

With internal access from the big garage/shed there is plenty of access for three vehicles or room for a big work shop or just space to store the boy toys.

You will be hard pressed to find such a pretty property with beautiful cottage gardens and established gardens and varied fruit trees. This property was well known for selling organic avocados in a stall out the front, the trees are still flourishing along with other wonderful citrus and fruit trees. There is room for a chook pen and even a good fenced off paddock to keep a horse or pony. This property has an easement to water and it is plentiful. There is an expansive cement slab area on one side of the property that would be a good foundation for an extra shed or even a separate studio.

Situated minutes from Alstonville Villiage, close to the coast and the beaches and river at Ballina with easy access to Lismore, Bangalow and Eltham. Easy access for the kids to get to School. Location is key for those wanting to enjoy living the country life yet close to town conveniences.
