The main bathroom is 3 way with a separate toilet and there is a good-sized separate laundry with internal access to a double garage. The yard is large and flat, and the gardens are easy care with established gardens and flowering shrubs, making for a very pretty setting. The yard is fully fenced with plenty of space for the kids to play and there is also a separate garden shed.

Men will love the side access to the rear of the block, which is a great place to store a van or even build a shed. You would be hard pressed to find a more immaculate, well designed home right in the village of Alstonville which is only a short stroll to the shops, schools and bowling club. The current owner has relocated to her retirement villa and this home is ready to move into.

Four bedroom homes of this generous size are hard to find in the current market so be quick on this one , call exclusive agent Melanie Stewart on 0421 560 936 to arrange a viewing!
