yard. Plenty of room to build a shed or pool and yet still lots of room for the kids to roam and play. This block would also suit a second dwelling giving its space STCA.

Looking out over the park you couldn't find a prettier place to live and yet only be a short stroll to the shops, schools, sporting fields and bowling club.

This is what you call GREAT REAL ESTATE, rarely do homes in this location come on the market and a flat block of land of this size is such a luxury especially for those wanting that feeling of space and privacy and yet be so close to the village centre. The home does need some updating however you couldn't find better bones and a great floor to work with. To finalise an estate the property has been priced to meet market demands, better be quick with this one it won't last! Call Melanie Stewart on 0421 560 936.
