Big Family Home with Big Fenced Yard

This home is single story and very spacious, with all of the rooms being of generous proportions. There is a formal living and dining area, a large kitchen with loads of storage and modern electrical appliances, a second family and dining room that opens onto a alfresco outdoor entertainment area. There are four big bedrooms and a three way bathroom, separate laundry and a second bathroom within the double lock up garage.

There is ample side access to the rear with a huge fenced back yard.

Looking out over the park you couldn't find a prettier place to live and yet only be a short stroll to the shops, schools, sporting fields and bowling club.
