modern take on a 'classic country' style kitchen featuring high-end Italian appliances and stone bench tops, a generous butler's pantry, soundproof media room with stunning bay window, separate laundry with second toilet and ample built in storage, all on a stunning rural vista fenced into 6 paddocks of rolling pasture with additional pockets of natural wildlife haven.

The aspect of this home is most appreciated from the spotted gum decks of the verandas surrounding 3 sides, making for sun-soaked morning breakfasts as you watch the mist rise over the valley below, and stunning hues of mauve and pinks as the sun sets behind the Tallowwoods on the hill.

This is a home that could suit those looking for a private rural retreat, or where guests are welcome to stay a while. "Santee Cottage" fully self-contained studio is separate from the main residence and surrounded by pretty plantings of flowers, raised veggie garden & water feature. Not one but two farm sheds provide room for all the

cars and farm machinery and you will still have room for all the toys and hobbies.
